

Dear Parents,

Thank you for your continued support with Covid-19 home testing.  
We know how important it is for you to be able to send your children to school.

You should test your child and report results twice a week on <https://www.gov.uk/report-covid19-result>, at home, throughout the October half-term school holiday and take a test before returning to school/college. All results should be reported, even if your result is negative or void

Your children should collect home test kits from Intuition School and bring them home with them. Please check if your child has received enough of these test kits to continue testing over the half term break. You can help them to take the test and report their results. Testing is free of charge. If you do still require more home testing kits to continue testing over half term, you can also order more online at [www.nhs.co.uk/conditions/coronavirus-covid-19/testing](http://www.nhs.co.uk/conditions/coronavirus-covid-19/testing) or collect from your local pharmacy.

By testing your child twice a week over half term, you will help us to reduce transmission of Coronavirus, keep your child in Intuition School and the school open to minimise disruption to their education and to you and your household.

Following the Half Term break we will be testing the students upon their arrival at school on a daily basis. We are advising parents to keep their children at home if they have symptoms and to take a PCR Test as early as possible.

Please contact Anna Hulme at Intuition School if you have any questions or concerns about home testing.

Thank you for your support,

Anna Hulme
